

HEARTLIGHTS

Look Who's Having a Baby!

This year marks the most mothers SCMFO has ever been able to honor at a baby shower.

- 36 mothers to-be in attendance
- 33 guests, including 15 husbands
- 5 mothers who could not join us, but who will receive layettes and gifts

“Thank you so much for putting on such a lovely event! It means a lot to my family to know that people have opened their hearts to do this because, due to distance, they cannot.”

For more photos from the baby shower, [visit our Facebook page](#).

Each mother-to-be, 41 in total this year, receives a hand-made layette. Gifts and financial support for the shower come from Mary's Feast – a baby shower held for Mary and her Son, each December. Then, they are lovingly assembled by volunteers.

Dog Handlers' Family Memorial Event

The K-9 unit at Camp Pendleton, Law Enforced Battalion 1st MEW, lost nine men in action between 2006 and 2012. The weekend of January 13-16, they hosted members of six of their families to share with them what their lost family member did and to see the cross-memorial that was put up by the dog kennels in their honor.

SCMFO was grateful for the opportunity to sponsor a barbeque for 50-60 family members and the active-duty members of the K-9 unit, as well as help defray some of the travel costs.

Record-Setting Kindness

December 2016's Thank-A-Family program was one for the SCMFO record books. Turning to social media, the program's chair, Gale Senter, found community support for a whopping 70 families, with a total of 170 children!

Thanks to Holly's Tires

SCMFO wants to thank our long time friends and bronze sponsors of our annual fall fundraiser.
