## Tea for Military Wives a Hit, as in Piñata!

The annual “Semper Fidei-Tea” – this year Hawaiian style – was hosted on May 27 at St Andrews-by-the Sea Methodist Church, with great support from Christ Lutheran Church. The tea, like school pizza parties and other morale events throughout the year, show military families at Camp Pendleton that the San Clemente community – churches, individuals, and businesses – deeply appreciates the sacrifices their family makes on our behalf. Morale events also give us an opportunity to let families know the resources available to them from SCMFO.

Twenty-two wives attended with either a child or a friend. We had two piñatas for the kids to swing at, sang patriotic songs, and even did a hula to “Goin’ to a Hukilau”! Each wife received a luau-themed gift, a gift bag and a commissary card. Children received a toy, gift bag and frozen yogurt gift certificate. [Check out our Facebook page to see more picture of the fun!](#)

## School's Out for Summer!

The SCMFO hosted a pizza party for 6<sup>th</sup> and 7<sup>th</sup> grade students finishing up the school year. Next year, they will attend schools off base. We also hosted a taco truck as refreshments for the 8<sup>th</sup> grade dance! We believe that support for the school comes not only with supplies to learn, but also the morale of the students!
