Dear Prospective Donor:

**San Clemente Military Family Outreach (SCMFO)** is your local nonprofit organization providing financial emergency support and morale events for young military families at Camp Pendleton (primarily rank E6 and below). We help pay for car repairs, dental bills, emergency travel, gas and essentials like diapers and even food when the money runs low before the next paycheck through no fault of their own. We also support military children through giving to San Onofre School on base. At Thanksgiving, SCMFO provides turkeys to 1,000 military families.

Where does the money for this support come from? From generous donors, small grants and special donations throughout the year and, fortunately, a larger gift or grant on an irregular basis. But our primary fundraiser for the past 12 years has been a gala community event, dubbed “Salute to Military Stars” since 2015, which had to be canceled for 2020 due to Covid-19 concerns.

Because a big part of the funds raised at the event always come from the silent auction, we’ve decided to move forward with our first ever “Salute to Military Stars On-Line Auction” and hope you can help us make it a huge success!

**The SCMFO “Salute to Military Stars On-Line Auction” is set to run from Friday, October 23 to Friday evening, October 30, 2020, the night we would have held our annual “Salute” event (which we hope to return to next year).**

**Anything you can donate — goods, services, sports tickets (iffy, we know — but hoping for a return in 2021), theater tickets, golf outings, resort stays, dinners out (at restaurants with patio dining!), you name it — will be much appreciated and fully tax deductible. Additionally, you and/or your business will be highlighted on the auction site all week and on our daily email/YouTube messages, promoting our cause, encouraging bidding, and generally keeping bidders informed about SCMFO and the families we serve. All proceeds from the Silent Auction will go directly to assist military families in need.**

A donation form is attached. It asks for information we need to best promote your donation and gives you info about pick up/delivery of your item. My contact information is included on the form,.

**Thank you for your support of military families through SCMFO!**

Judy Franz
