Easter Arrives Early at San Clemente Military Family Outreach

UnitedHealthcare donates 500 Easter baskets to families at Camp Pendleton

By **UHC** (Star Patcher) March 28, 2015

More than 500 Easter baskets were donated this morning to the San Clemente Military Family Outreach at Camp Pendleton. UnitedHealthcare mascot Dr. Health E. Hound, and UnitedHealthcare volunteers Greg Siebert and Anna Lisa Panopio-Hill, presented Easter baskets to Keira Henry (left) and Kelsi Henry (right). This is the tenth year that employees at the Cypress, Santa Ana and Irvine locations participated in the Easter basket drive. Over 800 baskets were assembled earlier this week for donations to the Cypress Boys & Girls Club and Olive Crest in Bellflower. (photo credit: Jamie Rector)
