Dear San Clemente Military Family Outreach:

It is my great pleasure to thank you for the teacher Wish List Gifts. What an amazingly generous donation you provided to the San Onofre school community. I wanted you to know personally that the day of delivery, when you brought the supplies and gift cards to classrooms was an exceptional day here at San Onofre, one that will not soon be forgotten. You have truly made a significant impact to the military students here at San Onofre School.

I don't need to tell you financially, this is a very difficult time for schools in California. I am proud to know that San Onofre School has strong support from the San Clemente Military Family Outreach. On behalf of all students, teachers, and administrators here at San Onofre, I offer my thanks for incredibly generous donations. Your leadership and strong financial support is making a positive impact to the Marine students at San Onofre School. Thanks again for you for continued support.

Appreciatively,
